

DR. GENEVIEVE SHEPHERD'S  
Bi-ANNUAL SCHOLARSHIP LUNCHEON

Dear Friends of Dr. Genevieve Shepherd:

Thank you, Thank you, Thank You! for your support in launching the Dr. Genevieve Shepherd Educator's Scholarship Fund. It was a beautiful success.

It's that time again. Time to host the biannual Scholarship Luncheon to secure funds for that High School student pursuing a college degree as an educator. As you know, Dr. Shepherd's desire is to help students wishing to become teachers. We would like to award at least two (2) students at this luncheon.

The luncheon is scheduled for August 26, 2017, 11:30 a.m. at the Dr. Howard A. Swancy Fellowship Center in Carson, California. Dr. Swancy, a proponent of education was the initial keynote speaker launching the fund. This year's keynote speaker will be Professor and Educator, Herbert R. Parker.
